

2019 Fitness Fun and Friendship Award

This award is made to a club member who reflects and demonstrates the values of Masters Swimming Australia.

The person chosen certainly displays all three –

Fitness – They are predominately known as an OWS, participating in the Mandurah and Busselton Jetty swims over the past few years, they took their swimming training to a new level over the past few months. Fitness and swimming ability improved. There were times when they had to stop swimming due to holidays and ‘accidents’ however they come back and quickly get on with it.

Friendship – This person enjoys the friendship of other members and is always positive and enthusiastic to all. Even when not swimming they turn up to encourage others.

Fun – This person joins in all club activities enthusiastically, and a great supporter of our club. Even though they are not a fan of pool swimming they enter our LLCC to support the club. They are also willing to be the ‘face’ for our Australia Day Swim.

The winner of the coveted Fitness, Friendship and Fun Award is presented to Jan Boddy.
